

The Beach Song

"La-las"

C/Em/F/C-G

C Em
Walking on the beach with you the sky and ocean aqua blue
F C G
the footprints in the sand would wash away with every wave
C Em
the castle that we built that day although the moat had drained away
F C G G7
was beautiful the sand was made of tiny shells

"La-las"

C/Em/F/C-G

C Em
We all swam out a hundred yards and from the shore it seemed so far
F C G
the salty ocean water taste still in my mouth
C Em
a baby shark washed up on land near someone buried in the sand
F C G G7
and seagulls landed randomly around us all
